

2010-2011 Region II ACTIVITIES MANUAL

It has been often said that athletics challenge the body, mind, and spirit. They bring out the best in people, because athletic competition engenders characteristics, dedication, determination, awareness, self-confidence, cooperation, and sensitivity to self and others. In **Region II**, we believe the very same principles apply to academics. Learning requires the same degree of energy and commitment as competitive sports, and yields comparable benefits for the individual. Because of this, we think athletics and learning go hand in hand to help the individual man or woman discover and realize their true potential in life.

--Anonymous

The high schools of **Region II** recognize the important role that co-curricular activities and athletics play in the full development of a young person. As in all areas of our schools, **Region II** high schools are committed to the equitable opportunities for all young men and young women in activities and athletic programs. Activities and athletic programs are designed to be a complement to the academic programs and pursuits of young people. We hope that the self-discipline, commitment, teamwork and training of the mind and body in the arenas of the playing field and stage will effect similar skill development and success in the classroom.

We believe that when structured and pursued with proper balance and perspective, athletics and activities can play a key and positive role in shaping the hearts and minds of our young people. Sports and activities, as much as any other single area of endeavor, hold great potential for bringing people together from diverse backgrounds to pursue shared ideals in a spirit of community.

NOTIFICATION OF THE PRESS:

In all sports events and activities, the home school is responsible to call the Salt Lake Tribune and the Deseret News to report the scores, unless decided differently in each individual sport.

2. Supervision of Region Activities, Tournaments and Meets

- A. Any school hosting a **Region II** tournament or dual competition activity is responsible for providing adequate administrative supervision for the activity.
- B. The host school must have two school administrators at home varsity football and boy's varsity basketball games. Visiting team must have an administrator and one other school official. These people are to meet prior to the game and work out supervisory details. They are also to stay following the end of the event until the crowds have dispersed.
- C. It is the responsibility of the chairman of each individual activity to see that **Region II** tournaments and meets are planned and well organized. It is the responsibility of the host school to provide adequate general supervision for the activity. If the host school is not the school of the chairman, there should be a clear understanding between the activity chairman and the host principal regarding the activity. In any case, the host school must provide general supervision for activities taking place in that school. Provide police and administrative supervision at the events and in the parking lots and possible trouble spots as identified by the local school plan.
- D. School administrators who are present at games agree to take immediate, definitive action towards disruptive or unsportsmanlike students or fans.

- H. Visiting administrators are to check-in with host school administrator.

3. Accommodations for Visiting Teams

Dressing rooms should be appropriately prepared for visiting teams with a clean area, lockers, showers, and chalkboards. Towels will not be furnished to visiting teams by the host school. Visiting teams must bring their own towels if they desire to use them. All dressing room facilities must be left clean and orderly. The visiting head coach or designee will check facilities prior to departure. If a head coach receives a key to dressing room facilities from the home school, the key should be returned to the home school's head coach or designee.

LOCKER ROOMS SHOULD BE SECURED AND LOCKED AT ALL TIMES.

4. Rules for Region II Tournaments

All **Region II** tournaments will follow the same rules as UHSAA state rules. All expenses must be pre-approved by the **Region II** Board of Managers for payment.

Host Schools should provide for someone to meet officials and show them to their dressing rooms both before and after any event (and during halftime). Any misconduct of officials, including failure to show or tardiness is to be reported to the Arbiter in charge of the involved activity. 7. UHSAA Sportsmanship Policy

A. Sportsmanship Conduct:

- (1) INTRODUCTION – The effective Utah secondary school should support both an academic program and an activities program. The programs should do more than merely coexist, they should be integrated and support each other in “different” arenas. The concept of “sportsmanship” should be taught, modeled, expected, and reinforced in the classroom and in all competitive activities.
- (2) PHILOSOPHY – Activities are an important aspect of the total education process in Utah schools. They provide an arena for participants to grow, to excel, to understand and to value the concepts of SPORTSMANSHIP and teamwork. They are an opportunity for coaches and school staff to teach and model SPORTSMANSHIP, to build school pride, and to increase student/community involvement; which ultimately translates into improved academic performance. Activities are also an opportunity for the community to demonstrate its support for the participants and the school, and to model the concepts of SPORTSMANSHIP for our youth as respected representatives of society. Sportsmanship is good citizenship in action!
- (3) **REGION II SPORTSMANSHIP CODE OF CONDUCT**
(This statement should be read prior to every **Region II** event where there is a public address system available)

Ladies and Gentlemen, **Region II** and the Granite, Salt Lake, and Murray School Districts are proud to sponsor this Game (event) today between _____ and _____ high schools. It is our mission to encourage the highest in athletic and sportsmanship standards. All players, coaches, students, and other spectators are expected to be courteous to their opponents, their fans, and their cheerleaders. **Region II** prohibits any spectator on the

playing surface before, during, or after any contest. Violation of rule will result in sanctions against the offending student and/or the school. All are expected to be respectful to officials' decisions, and to display appreciation for good performance regardless of the team. Enjoy the game (event) and represent your school with dignity.

B. General Sportsmanship Guidelines

SPORTSMANSHIP is a way of thinking and behaving. The following sportsmanship policy items are listed below for clarification:

- (1) Be courteous to all (participants, coaches, officials, staff, and fans).
- (2) Know the rules. Abide by and respect officials' decisions.
- (3) Win with character and lose with dignity.
- (4) Display appreciation for good performance regardless of the team.
- (5) Exercise self-control and reflect positively upon your self, the team, and the school.
- (6) Permit only positive sportsmanlike behavior to reflect on your school or its activities.
- (7) If flagrant violence occurs in any event in which a **Region II** school is participating, the Region Board of managers (principals) will review the incident upon request and on a case by case basis to determine possible consequences to participants(s) that are involved. These consequences may result in, but not be limited to, suspension from events(s), suspension for the entire season, and/or may include other consequences as determined by the Region Board of Managers.

C. Unsportsmanlike Ejections and Fighting Policy – Appeals Process

See the Utah High School Activities Association HANDBOOK p. 45.

8. Policies Relating to Coach, Student, and Spectator Behavior in Region II Activities

A. Sportsmanship

- (1) Administrators, teachers, coaches, and all participants should emphasize sportsmanship in any pre-season, region, or state competition.
- (2) Unsportsmanlike behavior policy:
Any coach, player or bench personnel ejected for unsportsmanlike behavior shall be suspended from the next regularly scheduled game at that level of play (varsity, JV, etc.) and any intervening levels of play. Examples:
- (3) If ejected from a JV game, player or coach can not participate in the following varsity game and the next JV game.
- (4) If ejected from a varsity game, player or coach can not participate in the following JV and the next varsity game. If the coach or participant is involved in a second incident/ejection, he/she will be suspended for the next two (2) regularly scheduled games. A third ejection would result in suspension for the remainder of that season. Ejection occurring on the final game of the season will carry over for all players or coaches to the first game of the succeeding season in that sport.
- (5) If a player or coach is ejected from a contest for fighting or other violent behavior, that player or coach shall be suspended for not fewer than two (2) regularly scheduled games or contests at that level of play. In addition, the incident shall be reported to the school, district, and UHSAA which may impose additional penalties consistent with the school's disciplinary policies.
- (6) Sportsmanlike vocal cheering and support from each bench are always encouraged.

9. Events Schedules

- A. All **Region II** regularly scheduled events constitute a contract between schools. The failure of a team to participate in a scheduled contest without prior mutual consent and Board of Managers approval at all levels, including varsity, junior varsity, and sophomore, may result in a fine and forfeit assessed by the Board of Managers, plus the cost of any officials etc. to the affected schools.
- B. Any change of dates made after the printing of the **Region II** Manual must be approved by the Region Board of Managers at least one week before the activity was originally scheduled unless a change is forced by justified conflict.
- C. All invitational meets, matches, or tournaments must be approved by the UHSAA thirty days prior to the activity. Appropriate fines will be assessed against a host school and others who participate in unsanctioned events.

10. Miscellaneous

- A. Awards are to be given according to the published **Region II** format. No additional awards will be allowed unless pre-approved by the Board of Managers.
- B. All personnel on the sidelines at any games will be monitored and controlled by the school administration or police officers.

11. Change of Times and Date

Both principals are to agree to the change before a change can occur. If the Board of Managers agrees on a change of time and date of an activity, the host school must notify the arbiter of the change in time for him/her to notify the officials. All officials (Varsity, J.V., Sophomore, and Freshman) will be arbitrated by UHSAA. Call changes to UHSAA offices. All costs associated with changing the time and date will be incurred by the school requesting the change.

12. Breach of Contract/Failure to Participate

In case of breach of contract, the regional board of managers shall have authority to assess a fine against the offending coach and/or school. The fine shall be sent to the region chairperson, who shall remit that portion due to the offended school and deposit the balance in the regional treasury. In the event that the breach of contract occurs between schools of different regions, the regional boards of managers from the two regions shall resolve the case. The acceptance of a schedule of league games, pre-season or practice by the principals of the schools concerned shall be understood as constituting a contract. The above applies to revenue producing varsity competition only. If it's a sub varsity competition, any fines levied will be remitted to the region.

13. Game Starting Times and Participant Regulations

No sports activity may begin before 3:30 p.m., unless approved by the Board of Managers. However, varsity football may not start before 4:00 p.m. until Day Light Savings. Thereafter, games may start at 3:30 p.m. Students should not be excused from class to get ready for any sports activity prior to the close of school. Any exception must be approved by the Principal.

14. Ties of Standing

The tie-breaking procedure will be used for the following team sports: Baseball, Boys Basketball, Girls Basketball, Football, Boys Soccer, Girls Soccer, Softball, and Volleyball.

If the tie does not involve a berth in the State Tournament play-offs, but involves only seeding in the playoffs between two or more teams, the tie will be broken in the following manner:

- A. Head to head league competition among the tied teams will be the first criteria used to determine seeding for the State Tournament Playoffs.

- B. If the tie or seeding cannot be resolved using the above method, the seed will be determined by the tied teams' record against teams with the highest finish in the Region. This process will continue down through the Region II standings until the tie is broken and seeding is determined.
- C. If a tie still exists, a coin flip will determine placement/seeding.

If a tie occurs among teams involving a berth in the State Tournament play-offs, the tie will be broken by a play-off between the tied teams. The play-off will be played on a neutral site agreeable to all schools involved, on a day and time agreeable to all schools involved.

If the tie is among more than two schools involving a berth in the State Tournament play-offs, the following procedure will occur. An odd-man-out coin flip will determine which schools will draw the bye, the odd man having the bye. The other two teams will play; the loser being eliminated and the winner going on to play the team that drew the bye. The winner of that game earns the first vacant berth. The play-off games for football will be half the length of a regular game.

15. Moratorium

A fine and/or additional penalties may be determined by the Board of Managers, which is paid by the coach, may be assessed to the coach of any team that is in violation of the designated days for moratorium of practice and play. (Reference the UHSAA handbook.)

16. Fine for Violations

A fine may be assessed for a violation of region rules as determined by the **Region II** Board of Managers.

17. Seeding Meetings or Other Meetings

Any expenses that are expected to be paid by **Region II** should be pre-approved by the Board of Managers. Expenses for meetings or other activities may not exceed \$10.00 per person; one coach per school is allowed to attend without prior approval from the **Region II** Board of Managers. Expenditures above this limit must have prior approval by the Region Board of Managers.

18. ACADEMIC ELIGIBILITY: (By-Laws: Article I; Section 1 a-d; Section 7, Section 8; Interpretations/Guidelines: #4 - #7 inclusive)

To participate in any UHSAA **Region II** or state interscholastic competition, an individual must be a full-time student in the school at which he/she has established eligibility. No student shall be eligible to represent his/her school if he/she is failing more than one subject or has a GPA of less than 2.0. Where a student has failed to meet the minimum requirements set forth above, he/she shall also be ineligible for participation in UHSAA or **Region II** activities in the succeeding grading period. Incompletes are computed as F's for eligibility.

- A. No student who is ineligible for a grading period should represent the school in any pre-season or practice contests with Varsity, Junior Varsity, Sophomore or Freshman teams.
- B. Eligibility under this rule is determined when grades are posted. Grades are "posted" when the school registrar enters all grades electronically and are available to students, parents and teachers. In no case may the posting date be more than 5 school days following the last day of the grading period. Grade changes after that time cannot restore lost eligibility, except for a documented clerical error.
- C. An incomplete (I), no grade (NG), or no credit (NC) is considered a failure until the grade is made up.

- D. The final grading period is defined as the date report cards are posted by the school for the last grading period of the school year.
- E. A student enters high school when he/she enters the 9th grade regardless of whether the 9th grade is in the high school or a separate junior high school. This means that all 9th or 10th grade students must not have failed more than one class the previous grading period and have a GPA 2.0 or higher.
- F. The word "represent" shall be as defined below. Any violator of the Scholastic Eligibility Bylaw shall not:
 - (1) Be in uniform on competition night.
 - (2) Warm-up with the team.
 - (3) Sit on the bench with the team.
 - (4) Be listed on the program roster.
 - (5) Be introduced as a member of the team.

The above student/participant may, however continue to practice with his/her team upon approval of school administration.

- G. For purposes of academic eligibility a maximum of three (3) make up courses may be taken. Community school classes, electronic classes or summer school classes, etc. will not constitute the previous term, but may be used for makeup. Summer is not a term. The "previous term" refers to the terms of the regular school year. For academic eligibility purposes, a required course must be made up with a similar required course. Elective courses may be made up with other elective or required courses. TA letter grades with the exception of failing grades will not be calculated as a part of a students GPA in determining eligibility.

19. *Coaches*

- A. Coaching behavior on the bench is reflected in student behavior. It is the responsibility of the principal to direct the coaching staff to be examples of good sportsmanship at all times.
- B. Coaches will behave with good sportsmanship towards officials before, during or after any contest. Any complaints or protests in regard to officiating will be made with the approval of the principal of the school.

20. *Number of Games*

Teams which exceed the number of games allowed in any season may forfeit from their region schedule the number of games exceeding the limit. Forfeited game(s) may be subtracted from the region win/loss record of the offending school. For each extra game, one win may be subtracted from the record and one loss may be added. Other sanctions may be taken by the **Region II** Board of Managers.

21. *Duties of Region Chairpersons (Coach)*

- A. Conduct all meetings pertinent to respective activity
- B. Coordinate and manage all **Region II** competitions and tournaments of respective activity
- C. Select and honor respective **All Region II** teams where applicable
- D. Be direct liaison to **Region II** Board of Managers
- E. Be responsible for all awards, trophies, medals, etc., pertinent to respective activity
- F. Responsible for region financial funds
- G. Represent **Region II** at all UHSAA Executive meetings
- H. In charge of all seeding meetings
- I. In charge of All-Region and Academic All-Region selection meetings

22. Duties of Region II Activity Chairpersons (Administrator)

- A. Activity Chair is in charge of all money:
 - (1) Pay bills through host school or assigned school
 - (2) Prepare financial statement
 - (3) Send bill to Region Chair
- B. Be direct liaison to the **Region II** Board of Managers
- C. Help coordinate all seeding meetings
- D. In charge of Region Tournament and attend Region Tournament

23. Undue Influence Rule/Violation

- A. The use of undue influence by any person, connected or not connected with a member school, to secure the transfer of a student to a member school for the purpose of participation in association athletic activities shall cause the student to be ineligible for a period of one (1) year and may result in penalties to the member school.
- B. Undue influence accusations will be heard by the Region Board of Managers. If necessary, appropriate disciplinary actions will be taken. Further violations by a school will result in severe disciplinary actions.
- C. If there is clear evidence that a coach has violated the Undue Influence Rule of the By-Laws section 9 of the UHSAA Manual, he/she may appear before the Region Board of Managers and may, under the direction of the UHSAA, receive any or all of the following for the first violation: a letter of reprimand, suspension and/or fine.
 - (1) If a coach is proven to have violated the Undue Influence Rule a second time, the coach may be suspended a minimum of three contests or one half of the remaining region schedule (whichever is the greater).
 - (2) A third violation may result in suspension for the remainder of the current season.

24. Penalties

Upon having knowledge of an infraction of a rule or policy **Region II** may initiate action, and may consider any of the following penalties:

- A. Forfeiture of contest(s).
- B. Reprimand by official letter to individual(s) and/or school in regard to the offense committed with a warning to correct situation(s).
- C. Probation of individual(s) and/or school by official letter advising parties of the probationary status and the conditions of the probation.

- E. Suspension would result in dropping the school from membership in Region activities for a specific time period.
- F. Fines to the coach, principal and/or school may be assessed.

Contest Limitations

- A. Any meet, game or competitive activity in which one (1) or more students participate counts toward the contest limitations listed for that activity.

Each postponed game must be made up in the order of the postponement. A postponed game will be made up on the first available date. J.V. games will be “bumped” from the calendar to allow the Varsity game, at either field or a neutral site as agreed mutually by the coaches. During the first round of region play, a postponed game will be made up by “flip-flopping” the schedule and playing at the visiting team’s field, if that is playable. The visiting team will reverse the schedule for the second round. During the second round, a postponed game will be made up on the first available date at the home field or another site if agreed upon mutually by the coaches. In the event of a postponed game because of bad weather, it will be the responsibility of the home team coach to notify the visiting school and the officials. This should take place by 1:00 p.m. It is the responsibility of both coaches to communicate with each other in the process of rescheduling games for the next available date.

Four (4) games in a week will be required if necessary, as defined by UHSAA (Sunday to Sunday).
- 6) When a game is “called” because of darkness or weather, etc., in the first round, the game will be resumed as the preliminary scheduled game of the two teams in the second round. The home field coach will be responsible for notifying all those involved: umpires, principals, and coaches.

- 12) In the event of a tie (for 1 spot), the winner of the flip sits out, the other two play a five inning game, the second game immediately after. The winner plays the team that sat out – a five inning game.
- 13) Games may be changed for tournament travel upon agreement between both coaches. The team requesting the change will play on the date and the time chosen by the other team. In the event that coaches can not agree, then we will refer to the Region handbook, rule #11.

- 2) Time of Region Games: All Region dual matches will begin at 3:30 p.m.
- 3) Each team is expected to have a Junior Varsity contingent, which will travel with the school's varsity team and play their matches on the day as Varsity. - 4) Varsity matches will consist of 2 out of 3 sets, 12 point tie-breaker, regular scoring.
- 5) Both coaches at a dual match will provide a written line-up of players by positions to the opposing coach.
- 6) Players are limited to ten minute warm-up; the warm-up does not include practice serves.
- 7) A player who is slated to play, but who arrives late; i.e., during the ten minute warm-up, may be inserted into his position; however, the player will not receive the allotted ten minutes to warm up. Tardy players will be penalized according to the rules beginning at 3:30 p.m. at dual meets. The only exception applies at Region if other players can be assigned to available courts for that round. If a player arrives after the match for which he was slated to play has begun, the tardy player will assume the role of a spectator.
- 8) The home team will furnish for each varsity match; two new balls per match; a three set match will receive two new balls at the beginning of the third set.
- 9) A coach may move a singles player to doubles and vice-versa; however, the players must be ranked according to ability in both singles and doubles.

Coaching is allowed for only two minutes between sets; however, during the first and second set, players may not leave the court and coaches may not walk on the court, unless requested; between the second and third sets, the players have ten minutes, and players may leave the court.

REGION TOURNAMENT PLAY:

- 1) **Stacking is not permissible and could result in UHSAA sanctions.** In an effort to promote fair play and wholesome team competition, thereby fostering a healthy educational environment, the Utah High School Activities Association offers the following guidelines in regards to stacking:
 - A. **Legitimate and ethical "placing of players":** Any lineup which places a better skilled player above a lesser skilled player or a better skilled doubles team above a lesser skilled doubles team is legal.
 - B. **Legitimate lineups according to skill ability:** Skill ability shall be defined as the number of one singles player shall be better than the number two singles player who shall be better than the number three singles player. The number one doubles team shall be better than the number two doubles team. Coaches should enter players at the positions which their skill dictates. Juggling or shuffling the positions to gain an advantage is unsportsmanlike and creates an unhealthy educational environment. In the event of an injury during any course of the season, the next best player would move up to fill the spot vacated by the injured player.

- 2) **High school tennis players must compete in a minimum of five (5)** matches during the high school season in order to compete at the Region meet. This includes matches at the varsity level and in the singles or doubles category. Injury or special situations will be considered, but must be approved by the UHSAA prior to the student athlete participating in the Region meet.
- 3) Seeding of the Region Tournament will be conducted by the Region coaches at 6:00 p.m. the night before the Region Tournament. Seeds will be based on Region dual matches results at a particular position. Matches start at 9:00 a.m. the first day and 3:30 p.m. the last day. Must have a minimum of two referees/U.T.A. 944.8782
- 4) The Region championship trophy will be awarded to the team which has accrued the highest point total based upon the following schedule:
 - A. Each team dual match victory: 1 point per match (5 pts. Total)
 - B. Region Tournament where 4 qualify for State:
 - 1st Place: 5 points
 - 2nd Place: 4 points
 - 3rd Place: 3 points
 - 4th Place: 2 points
 - 5th Place: 1 point
- 5) No more than fourteen (14) matches will be played by team players during the course of the UHSAA tennis season. This restriction does not apply to those matches played either at the Region or State Tournaments. To qualify for state a player must have played 5 of those matches at the particular position.
- 6) All Players in Region Tournament shall wear a matching team shirt.
- 7) The All-Region Team will be selected by the coaches at the seeding Region meeting. The meeting will be at Applebees, 5678 S. Redwood Road at 6:00pm on Tuesday, May 3, 2011. Wrestling Body Fat Testing – **November 13, 2010**

1) Starting times for **Region II** matches will be as follows:

A. Weigh-ins - 4:00 pm

B. JV matches - 5:00 pm

C. Varsity matches – 6:00 pm or following J.V.

The gym must be cleared of all other activities by 4:30pm so it can be set up for dual matches. A change in starting time will require mutual agreement between the principals of the two schools involved. Changes in dates of activities require the approval of the **Region II** Board of Managers. Host schools are responsible to notify the arbiter of any time or date changes.

2) There is to be no weight allowance given unless there are back-to-back dual meets. A coach must contact the opposing coach 24 hours in advance if this situation occurs.

3) To meet National Federation and State guidelines, a wrestler must certify at a specific weight class prior to his first wrestling match. Please refer to the UHSAA website for complete information on wrestler weight certification.

4) Platform scales must be certified (by a government agency) by November 2nd of each year.

5) Coaches will exchange line-ups by **email or fax**, by 12:00 noon to the opposing schools the day of the match; the line-up should include Varsity, JV and Extras.

6) The state arbiter for varsity and JV will assign the officials for all region matches, non-region matches, and sophomore meets.

7) A maximum of twenty-four (24) encounters will be allowed in addition to Region and State Meets. All tournaments will be counted as three (3) encounters. Dual meets count as an encounter.

8) Any school with a wrestler who is unable to compete in the State Meet must notify the Region Chairperson immediately and the replacement wrestler's coach. The Region Fifth place wrestler should be available to fill in a possible bye in the tournament bracket at the State Tournament.

REGION VARSITY TOURNAMENT

1) Each school may enter two wrestlers per weight division. Only the highest scoring wrestler in each weight class will score points for each region team.

2) Wrestlers will be seeded into the tournament by criteria; attempts will be made to seed six.

3) All rounds will be scored in the tournament

4) Weigh-ins will be conducted as per state guidelines.

5) The seeding meeting will be under the direction of the host school with the Region Chair doing the pre-seeding. Byes will be randomly assigned to an open position for each weight.

6) After each Region dual, the home coach will be required to fax or e-mail the results of the Region II dual to the region chair for seeding purposes before their next home dual.

- 7) Each coach will be required to bring to the **Region II** seeding meeting their team's alpha-master list, eligibility list, wrestlers' names, weight, and overall varsity record. This list should include all Region duals highlighted with the weight in which the wrestler competed.
- 8) Wrestlers may not change weight class after the seeding meeting without a coach's vote.
- 9) Double bonus points will be awarded to wrestlers who received byes and then win their subsequent match in the championship round only. Advancement points will be awarded to winners in the championship bracket with previous round byes.
